### Chapter 1 by Nini Reyes

There was a new kid in the high school senior class of 1977, it was a boy, named Chris. Liza, known as Jr., had a crush on him and valentines day was right around the corner. Jr. decided to write a note to Chris.

The note said:

Dear Chris,

The moment I clapped eyes on you, I knew you were going to be a hot boy. Recently, I have began to regard you as much more than a hot boy.

My feelings for you intensified when I saw you singing in the moonlight. I was further wowed by your tremendous running skills.

You have insides like delightful peppers and the most entertaining hair I've ever seen. When I look at you, I just want to snog those delightful pepper insides and polish that entertaining hair.

You're so special with your sharp wavs. The way you handle your smooth best friend shows

you're a true friend.

I know that to you I'm just another friend, but to me you're my best friend, together acting like two crazy puppies.

Please, say you'll be mine Chris!

All my love

Jr.

Although Chris did not know who Jr. was he brought the note to his close friends, which included Liza.

When he asked Liza, she froze with her mouth wide open.

" Liza do you know who wrote this?"

" I-I-I do Chris."

"Well Liza, who?"

" M-Me. I wrote that note."

" W- What? You like me Liza?"

" Yes Chris, I do."

" Why didn't you tell me this sooner?"

" Well, I did not think you felt the same way I did, so I kept it to myself."

"Liza?"

"Yes Chris?"

"I like you to."

-Liza smiles at Chris, then Chris smiles back at Liza-

I know, my number one fan! Aww, I'm so happy!

## Chapter 2 by SuperFolder Ghostbuster

3 months later, the two eventually became boyfriend and girlfriend and they were having some of the best time of their life. They went out for dinners together, they went swimming together, and they even went everywhere with each other. But how this all started was with a couple of movie tickets.

"Liza?"

"Yeah, Chris?"

"Do you think that we could..."

"I wish we could, but I have a very tight schedule and I'm not sure my dad would let us be together.

"Well, don't worry. I'll talk to your dad about this."

"He's not home Chris."

"Oh, well is your mom home?"

"Yes she is."

"I'll explain it to her then."

So Chris spoke to Liza's mother, Mrs. Jackson, about the two of them liking each other and how they might go on adventures together if they get Mrs. Jackson's permission. Mrs. Jackson decided that it would be best if we did leave Liza to be with Chris as a couple.

"So now that we have your mom's permission, do you think that we could go see a movie

"I'd be ashamed to say no."
